

COMPANY PROFILE

“Connecting Thai Talent with Global Opportunities”

S1968 Manpower (THAILAND) Co.,Ltd.

ABOUT S1968

"Connecting Thai Talent with Global Opportunities"

S1968 is a licensed overseas recruitment agency dedicated to connecting Thai workers with trusted employers worldwide. Through ethical recruitment practices, transparent operations, and comprehensive worker support, we create sustainable employment opportunities that help individuals build secure and prosperous futures.

Guided by integrity, professionalism, and a strong commitment to workers' welfare, we strive to enhance the quality of life of Thai workers abroad while contributing to workforce development and economic growth.

Our mission is to connect Thai talent with global opportunities, empowering individuals, strengthening families, and creating long-term value for society and the nation.

VISION

“Connecting Thai Talent with Global Opportunities”

To be a leading and trusted global workforce solutions provider, connecting Thai talent with quality employment opportunities worldwide while promoting ethical recruitment and sustainable workforce development.

MISSION

Creating Global Opportunities for Thai Talent

Connecting Thai talent with quality employment opportunities worldwide to increase income and enhance quality of life.

Protecting and Supporting Workers

Prioritizing workers' rights, welfare, and safety at every stage of the employment journey, in full compliance with relevant laws and international standards.

Operating with Transparency and Integrity

Committed to honesty, fairness, transparency, and accountability, fostering trust and confidence among both workers and employers.

Developing a Globally Competitive Workforce

Equipping Thai workers with professional skills, language proficiency, and cultural adaptability to help them succeed in the global workforce.

KEY FACTORS

01

Compliance & Transparency

Operating in Full Compliance with the Law

Conducting business with transparency, integrity, and full accountability at every stage of the process.

02

Global Partnership Network

Building Trusted Global Partnerships
Building strong relationships with trusted employers and international business partners to create quality employment opportunities worldwide.

03

Market Expertise

Understanding Global Labor Market Demands
Leveraging market insights to identify and match suitable employment opportunities for Thai workers.

04

Quality Workforce Development

Preparing Thai workers with professional skills, language proficiency, and cultural adaptability for successful employment abroad.

05
